Review of last year's spend and key achievements (2024/2025)

Activity/Action	Impact	Comments
Provide booster swimming sessions for the children in Year 6 who have not yet met the national curriculum targets.	Booster groups has enabled those in year 6 that may not have reached the required standard back in year 4, to progress.	Our next steps are: *Further training for individuals/ new staff *Look at clubs to open a wide range of activities
Work closely with our local secondary school to offer our children coaching sessions in a variety of sports.	Children have had the opportunity to take part in events at local Secondary schools and for students from our local Secondary Schools to run activities and provide opportunities for our young people.	through teachers, teaching assistants and outside agencies *Further raise the profile of PE to parents/ carers across the school – to write events in newsletters, focus on assemblies, news reporter at events, etc.
To purchase new resources for PE to improve the quality of PE lessons e.g. new Indoor athletic boards.	New sports equipment has helped with PE lessons and the quality of lessons produced. The equipment has also allowed our children to learn new sports and use equipment similar to those in events. Our new sports kit has resulted in the children feeling proud to represent the school and to be confident when attending competitions.	*Year 6 to take part in booster swimming classes. *Ensure that alignment to The Circle Trust Spiral Curriculum for PE allows us to meet our targets/key priorities for the coming year
To take part in more competitions across the Key Stages e.g. Owlsmoor are entered for Football League, Football Cup, Netball League and a variety of other competitions.	We have taken part in a number of sporting events over the year. Using the Mini bus has resulted in plenty of opportunities for others to participate in events that may not have had the opportunity to do so.	
To provide a range of clubs to a variety of age ranges to allow all children to have the opportunity to participate in sport at Owlsmoor Primary School	A wider range of clubs has led to the increased participation across the school. Our success in tournaments has also improved.	

We use the funding we receive to focus on the five key indicators as outlined by the Government and provide additional opportunities for our children to enable them to achieve well in these focus areas:

Key indicator 1: The engagement of all pupils in regular physical activity

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

Key priorities and Planning

Action – what are you planning to do	Who does this action impact	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
To further increase the provision of OAA across the school which is a requirement of the national curriculum and has been highlighted nationally as a priority to increase participation.	All children across the school accessing OAA Staff training	1, 2, 3	Staff training from an OAA company which includes all planning and equipment leading to increased engagement. This will then be part of year groups PE lessons in Spring 2.	£1500
To raise the profile of PE through improvement of Gymnastics this year.	Staff to be coached for a term of gymnastics in order to develop knowledge and confidence in teaching gymnastics, new equipment to support this, having a positive impact on children's lessons.	1, 3	Staff will have the opportunity to work alongside a qualified Gymnastics coach so that children will receive quality teaching.	£5000
Local Authority subscription	Our children will benefit from attending local sporting events to participate in competitive activities.	5	Children will take part in a range of different sporting competitions. We aim to ensure we take part in these competitions year on year and as we build capacity attend more competitions offered to us.	£2500 (£1932 – Joining fee (LA) + transport to get teams to competitions)
Additional after school clubs (or lunch time) with a greater range of sports/activities along with links built to local secondary schools/sports clubs to widen sporting opportunities for our pupils	Gives opportunity for a variety of children to access a range of clubs. Opportunities to play sport/access equipment at local secondary schools. Opportunities to play	Key indicators: 1 and 4	A larger number of children will take part in after school clubs.	£5000

	sport/access equipment at local clubs.			
Provide booster swimming sessions for the children in Year 6 who have not yet met the national curriculum targets	The aim is for 100% of the children at Owlsmoor Primary School will be able to swim 25 metres before they leave for secondary school.	Key indicators: 1, 2 and 4	We have an annual 'Pool to School' scheme which means we will have the team and pool on-site for 3 weeks. Children who have not achieved the National Curriculum objectives or new starters to the school have daily booster sessions to achieve these objectives.	£2500
To ensure that the correct equipment is available to teach, practise and participate in a wider range of sports in school	This includes equipment for all the sports covered in PE lessons, school staff clubs and breaktime sports equipment	Key indicators: 1, 2 and 4		£3960
				Total Allocated: £20,460

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	Stats 2025:	Further Context Relative to local challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	52%*	Some children did not take up the offer of booster sessions.
What percentage of your current Year 6 cohort can use a range of strokes effectively e.g. front crawl, backstroke and breaststroke.	63%*	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	84%*	
If your schools swimming data is below national expectations, you can choose to use the Primary PE and sports premium to provide additional top-up sessions for those pupils that did not meet the National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	*Denotes data from the end of Year 4 when previous swimming lessons were completed – booster sessions taking place in November 2025 and data will be updated from this at that time.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
